OUR PROMISE

In Korean market relied on imported products, Cellplus has achieved a recognizable growth, starting with the success of producing its own yogurt powder.

Since then, Cellplus becomes a leader of the beverage powder industry focusing on the development and improvement of products.

Its unique brand named 'Sweet Page' gained a wide foothold in the beverage industry by offering a revolutionary taste to people around the world.

Through its own R&D lab, Cellplus continues to develop its products and signature recipes reflecting the current market trend.
