

New standards for air purifiers

ipuri

Scan QR for more details.

The first in Korea  
Installation air purifier  
Patent No. 10-1915169  
Patent No. 10-2199973

High efficiency GHOST Fan  
Powerful performance  
Low-noise

Remove 99.97% of Ultra  
fine dust  
PM2.5/PM10/0.3 $\mu$ m

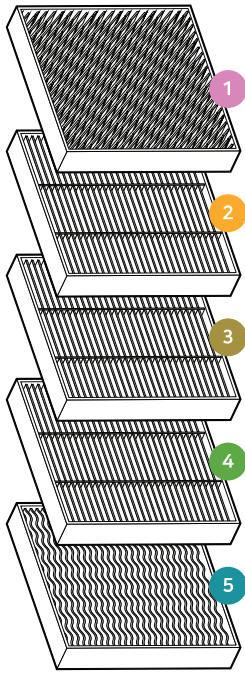

N29(Copper) Filter included  
Germs, Bacterial and Viruses

Dust sensor  
Check air condition in realtime

ODM/OEM/B2B

1

### PRE-FILTER

10 $\mu$ m size Dust removal, Microbial and Bacterial and Fungal growth inhibited.

2

### YELLOW DUST FILTER

0.5  $\mu$ m size Dust Removal, respiratory protection from Yellow-Dust.

3

### STERILIZATION FILTER(N29)

Antibacterial and Sterilization, 99% elimination of Pathogens.

4

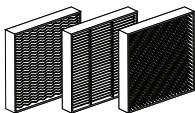

### HEPA(H13)-Filter

0.3 $\mu$ m size particulate Dust collection and Air purification.

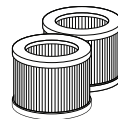

5

### CARBON-FILTER

Eliminate the odor of living and deodorize, eliminate new home/new car syndrome triggers.

4 Layers  
5 Layers filter

Circle shape  
filter

## Car installation air purifier

### ipuri i1

Well matched luxury design like a original parts.  
Guarantee great performance as well as  
driver/passenger's safety.

**DC12V | 4 or 5 Layer filter | 270\*150\*65mm**  
**LED Dust sensor | Installation Remote controll**

### ipuri i2

The second generation installation air purifier.  
More slim and more powerful.

**DC12V~ 24V | N29 Copper sterilization filter**  
**206\*143\*41mm**

IF Design Award 2020

---

## Hybrid air purifier

### ipuri A1

Experience the best performance among portable air purifier.  
Also, check current air condition with LED light & LCD Screen.  
Optional Accessory: Adapter(For home) and Cradle  
**DC12 ~24V | 5 Layers filter | 205\*170\*70mm**  
**Laser dust sensor | IR Remote control**

## Cup-holder type air purifier

### ipuri C1

360-degree air circulation design.  
Great portability with great performance  
DC5V | Circle copper filter  
68\*68\*180mm

## Car plasma Ionizer

### ipuri n1

Plasma Negative ion will keep your car  
without odor / smoke  
DC5V | double plasma brushes  
55\*83\*30mm

‘Whole new wind from Korea’  
Experience the ipuri.
